

Dear Friends,

The following was the agenda that we used on Monday, November 2nd. There were only four of us there, but we had an excellent sharing time. We did not conduct much business, because two of the four were new members! :) But, again, it was an excellent sharing session! But I share this agenda with you, because there are items listed here that should be included on the December agenda. Of note, are the evenings for conferences that are coming very soon (November 18/19) The information for these comes from the district website. For those of you are interested in being present at the school(s) for this conference season, they are coming up very soon!

The minutes for November 2nd will be VERY brief.

Minutes
Richland Area PFLAG
November 2, 2009

At seven o'clock, four individuals met and enjoyed a lively, interpersonal, and inspirational sharing time. At eight o'clock, Ericka Parkinson-Kilbourne, president, lead the members in a review of the agenda. Minutes were approved. A treasurer's report was deferred until the next meeting. We reviewed the GSA sponsors' schedule. We discussed our relationship with the school, publicity, educational and community events. Ericka Parkinson-Kilbourne adjourned the meeting at 8:30pm.

Agenda
Richland Area PFLAG
November 2, 2009
